OFFICE OF THE MAYOR

To Whom It May Concern,

First and foremost, I hope this letter finds you doing well. The Stonehill College Athletic Department is pleased to be holding our annual Stonehill Sports Camps program this summer. We offer ten different camps of which young athletes will learn and improve upon their technical skills and game knowledge, while engaging in a fun and enjoyable experience. Both overnight and day camps are offered for children ranging from grades one to twelve. The camps are coached by NCAA Division II coaches and staffed by Stonehill varsity athletes, as well as other qualified college coaches.

Our 375-acre campus encompasses the best sports facilities in the area, including an air conditioned 55,000 square foot sports complex, a newly air conditioned gymnasium, and WB Mason Stadium, Stonehill's newest state of the art facility. Our camps also allow our campers to compete on both our indoor and outdoor tennis facilities as well as both grass and turf soccer fields. The Camp's staff and director's include well-known conference coaches who are recognized for their excellence within the Northeast-10 Conference as well as regionally. All of our coaches have contributed to building their programs into what they currently are today.

We are very proud of our tradition of both academics and athletic excellence here at Stonehill College. We would like to extend the opportunity to local athletes to build a relationship with Stonehill Sports Camp. With your help, we can further advance our camps and achieve our mission to engage and enrich the lives of young people in our community. If you know any interested athletes, please send them to the camp's website at [www.stonehillsportscamps.com](http://www.stonehillsportscamps.com) for more information. If you need additional information, please contact me at 508-565-1733. Thank you for your help, and I hope to see you at camp this summer. Stonehill College Sports Camps look forward to the possibility of a strong and positive partnership with the local community for many years to come.

Respectfully,

*Stephen Fitzgerald*
